

AGE GRADE RUGBY

Young people tell us that above all else they want to have fun playing rugby with their friends. This is at the heart of the Age Grade Rugby framework for six to eighteen year olds in clubs, schools and colleges. This is based on the game being player centred, development driven and competition supported.

Age Grade Rugby helps boys and girls learn and enjoy the 15-a-side game through age-appropriate building blocks that put inclusivity and skill development first. A nationally consistent menu ensures the intensity of competitive opportunities increases in line with the motivations of our young players; and our playing calendar helps to create a more balanced playing season for every level of player.

**PLAYER CENTRED
DEVELOPMENT DRIVEN
COMPETITION SUPPORTED**

Old Mutual Wealth Kids First is England Rugby's approach to the game for 6-13 year olds. It gives children the opportunity to prosper through rugby, by fostering an environment for having fun, learning and building confidence.

In addition to developmental rules of play, there are a range of age group specific Old Mutual Wealth Kids First courses for coaches and referees open to all. Clubs and Schools are encouraged to publicly commit to:

- Put children at the heart of everything they do and the decisions they make
- Encourage fun on the pitch through realistic expectations of our children
- Develop children's character as players and as people and challenge any behaviour that conflicts with this
- Build the skills of our adults to provide a safe, healthy and respectful environment for our children
- Champion rugby's core values and a life-long bond between children, adults and sport

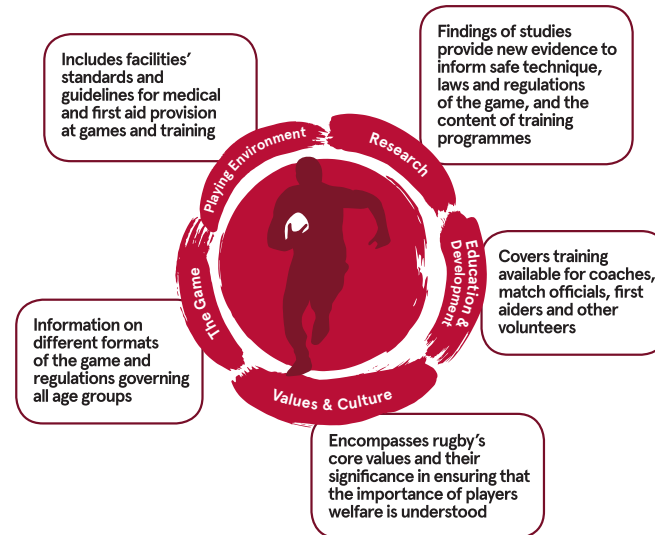

Those signing up will receive access to Old Mutual Wealth Kids First resources and support to help them drive delivery for all players across their programme.

It is essential that young people play rugby in a safe environment. RugbySafe encapsulates all the RFU's player safety and wellbeing programmes, providing support to clubs, schools, colleges, universities and participants at all levels of the game. It includes easily accessible and essential information and resources for everyone in the game, with guidance, standards and actions that should be in place and that parents and players should expect.

RUGBY IS GOOD FOR YOU

DON'T BE A HEADCASE STOP! CHECK FOR CONCUSSION

RECOGNISE
know the symptoms and signs of concussion.

REMOVE
any player you suspect has got a concussion IMMEDIATELY. Arrange for further assessment by a health care professional.

RECOVER
give players time to recover fully as you would with any other injury.

RETURN
all players must follow a step-wise Graduated Return to Play (GRTP) and must not go back to rugby/sport until they have been cleared to do so by a doctor.

RECOGNISE, REMOVE AND IF IN DOUBT, SIT THEM OUT!
