

HAMMERSMITH & FULHAM WOMEN ARE LOOKING FOR A COACH!

We're recruiting a Women's 2nd XV Coach to deliver the club's objectives of leading a competitive team in NC2 league, whilst working with the wider coaching team and supporting the ambitions of all players (1XV competing in Champ 2).

WHO ARE WE?

Since our foundation in 1978, Hammersmith & Fulham RFC ('The Hammers') has grown into one of London's largest and most successful amateur rugby clubs. With 2 women's teams, 3 men's teams and a vibrant vets and youth section, our commitment to high standards is matched only by our 1-club ethos, our inclusive and welcoming culture and our renowned social scene. We're more than just a rugby club; we're a home, and we're looking for a strategic and creative Coach to be part of it.

WHAT DO WE NEED?

We're looking for an experienced women's 2XV Coach to revitalise the 'Mighty 2s' squad by creating a challenging but supportive and inclusive environment - for players of a mixed ability, including total novices to rugby. This season our squad is competing in both NC2 league and Papa John's Community Cup competition. This candidate will work alongside the Women's Director, Head Coach, 1st XV Coach, Volunteer Coaches, Team Captains.

Based in the heart of Fulham at Hurlingham Park, our club is easily accessible by public transport (Putney Bridge or Parsons Green are the closest tube stations) and also offers on-site parking. For those living or working in London, we're especially well located.

This is a paid coaching role that requires weekly attendance at 2 training sessions (Tuesday & Thursday) and on game day (Sunday)

For more details and/or to apply, please contact our Women's Director Laurel Dunne, by email (women@fulhamrugby.co.uk) or by phone (+447709205760).
